Parish Council

## “Pride in the Community”

At the Parish Council meeting of 12th October 2015, the Council voted for there to be no increase to the Parish precept for 2016 – 2017. Therefore the precept bandings for 2016-2017 are as follows:

Band A	28.33
Band B	33.06
Band C	37.78
Band D	42.50
Band E	51.94
Band F	61.39
Band G	70.83
Band H	85.00

The Parish Council are well aware of the current financial climate; therefore the Council has determined not to increase the charge.

Following the recent establishment of the 'One Trafford' partnership with Trafford Council and Amey, a majority of the services and facilities where the Parish Council collaborated directly with Trafford, have devolved to Amey.

Consequently, we have had several meetings with Amey managers and have arranged for scheduled future ones, to ensure our joint working is quite satisfactory and continues to give best value to the community.

The Parish Council are confident the established levels of service will be maintained over the stated period.

As was very much appreciated this winter, the Parish Council will again expand their efforts at making safe those paths and spaces most hazardous where Trafford Council do not have the resources to do.

The Parish Council will continue to add value to the established public amenity works of Trafford Council and actively maintain those existing Partington owned ones.

The Community Improvement Workers will continue to be a 'helping hand' to those most vulnerable in our community. Partington was awarded for the seventh year running a Silver award for the best in the Small Town Category by the North West in Bloom Committee.

The Parish Council continue to welcome all suggestions where service improvements might be achieved.

Please use the space below to leave your comments and return them to the Parish Council. Details below
